

SkyWing Speciality Inc

One-stop solution for all your Raw Material (RM) requirements

01 ABOUT US

At **Sky Wing Speciality INC**, we are more than just a raw material supplier—we are your trusted partner in building sustainable success. With over 15 years of expertise in the industry, we specialize in delivering high-quality raw materials as an OEM, importer, and exporter, serving diverse markets across the globe.

02 WHO WE ARE?

Our journey began with a vision to bridge gaps in the supply chain by offering authentic, reliable, and innovative solutions. Today, we stand as a fast-growing company driven by a team of seasoned professionals who understand the complexities of global trade and the unique demands of domestic markets.

03 OUR COMMITMENT

Customer-Centric Approach: We anticipate emerging needs and stay ahead of market trends to ensure the right products are always available when our clients need them.

Quality Assurance: Authenticity is at the core of our operations. We rigorously vet our materials to guarantee compliance with international standards.

Reliable Supply Chain: Consistency is key. Our robust logistics network ensures seamless delivery, empowering businesses to operate without interruption.

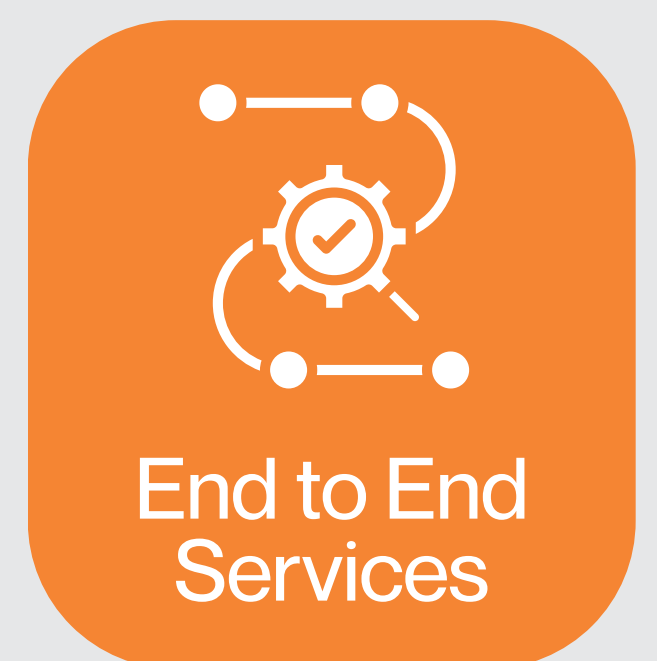

04

WHY CHOOSE US ?

Deep industry knowledge enables us to navigate challenges and deliver tailored solutions.

From OEM partnerships to cross-border trade, we simplify sourcing and distribution.

By aligning with evolving customer needs, we foster long-term partnerships that fuel mutual success.

“

At Sky Wing Speciality INC , we don't just supply materials—we build relationships rooted in trust, innovation, and excellence. Let us be the foundation of your next project.

”

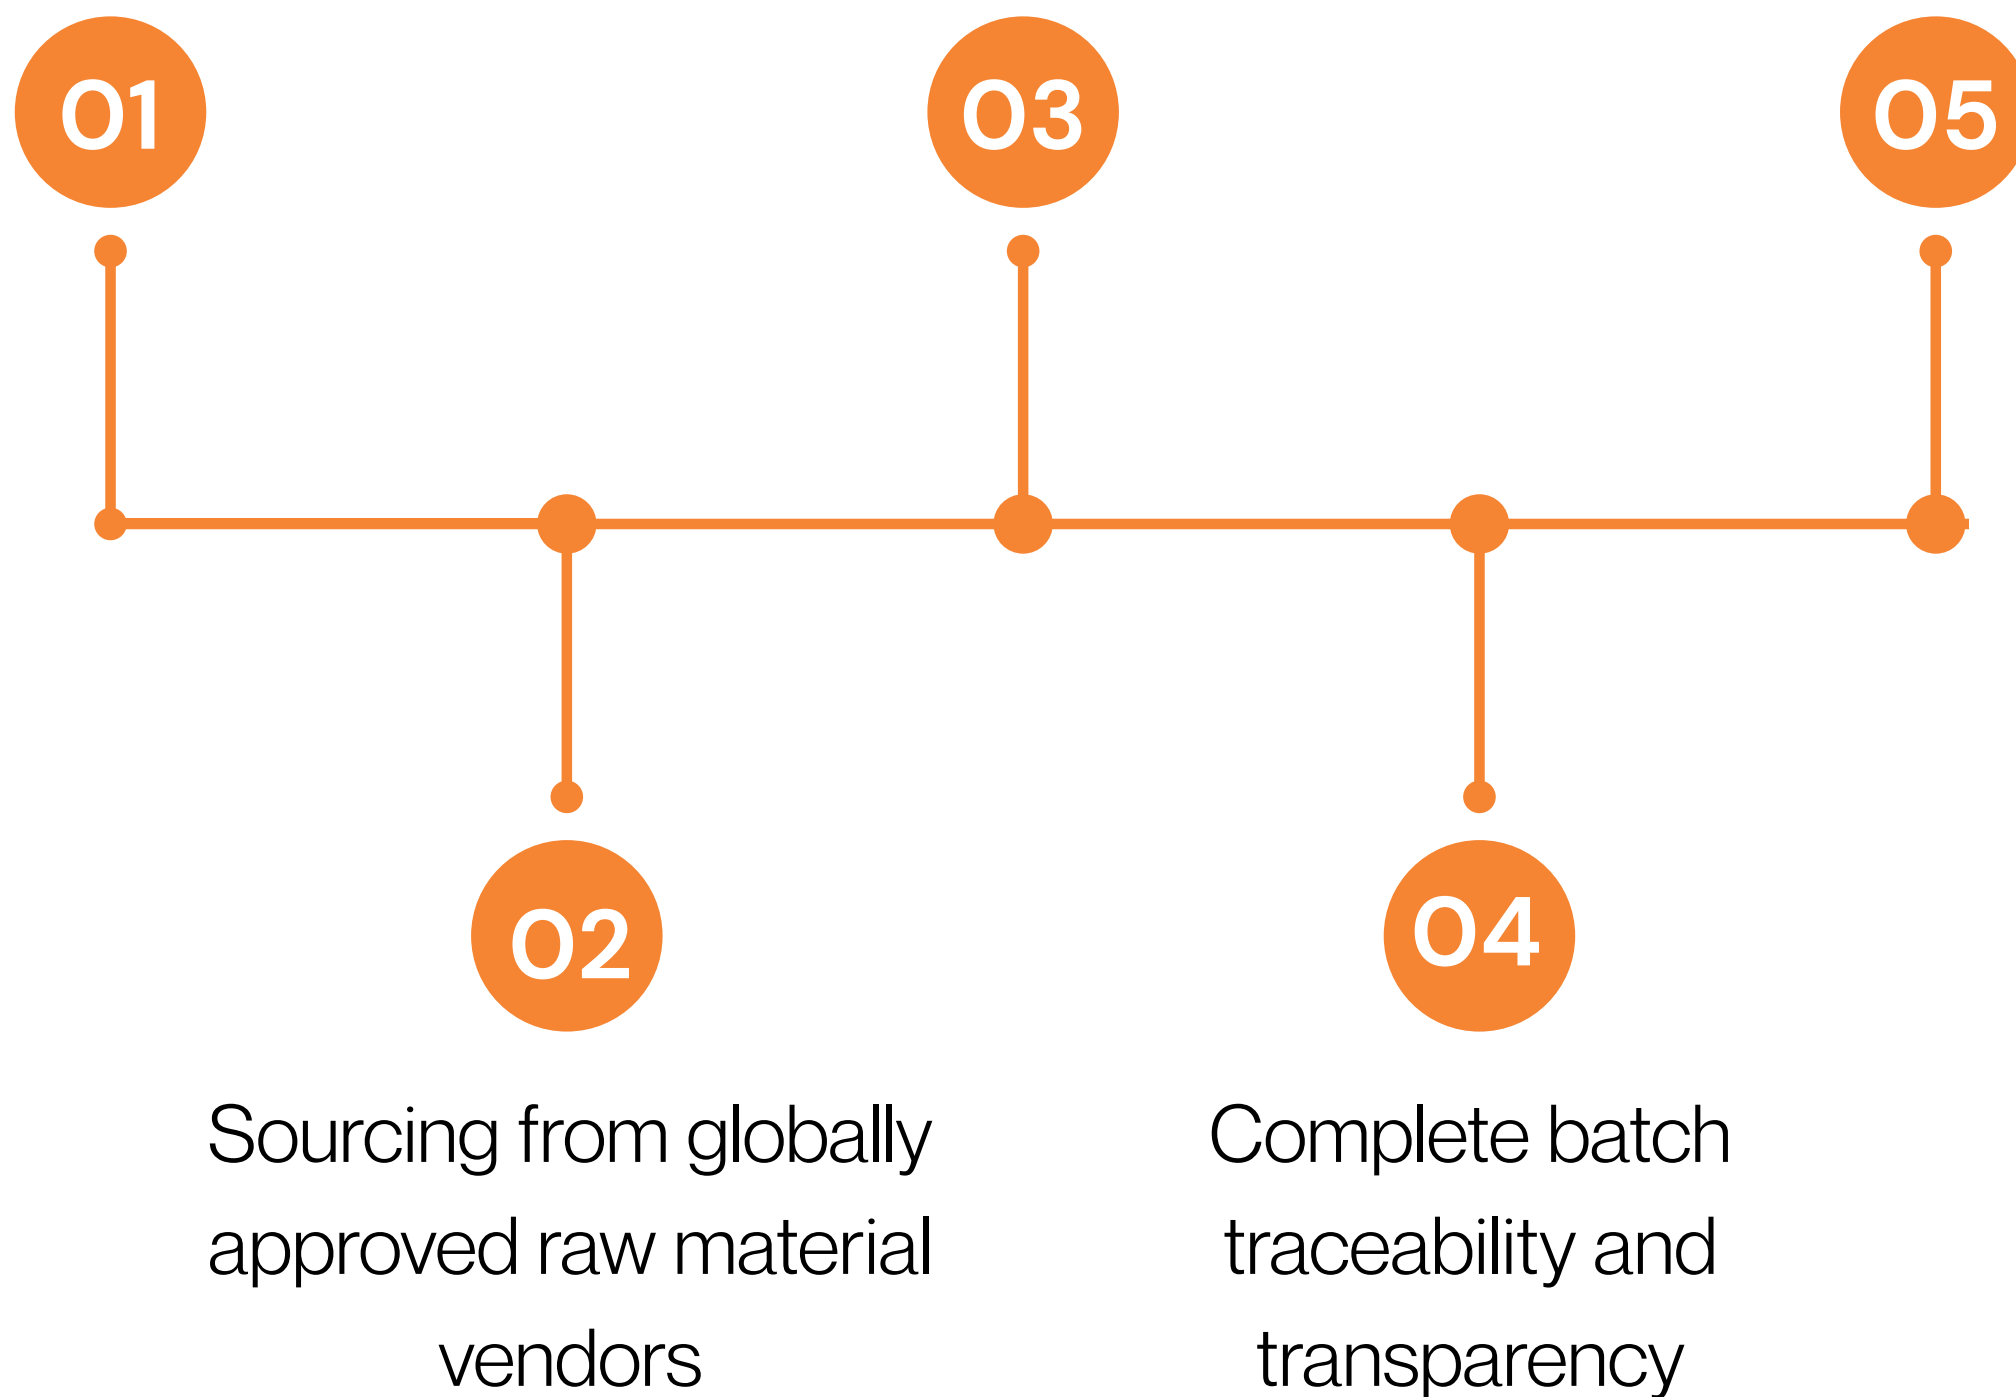

05

MANUFACTURING EXCELLENCE

ISO-compliant, food-grade manufacturing protocols

High-purity, specification-adherent output

Customizable packaging and logistics solutions

06

INDUSTRIES WE SERVE

Our preservative solutions are integral to a wide range of industries where safety, compliance, and shelf-life stability are critical:

We are trusted third-party manufacturers of preservative-grade Benzoic Acid and Sodium Benzoate

07

KEY DIFFERENTIATORS

1. Focused manufacturing specialization backed by deep domain expertise.
2. Scalable production capacity with flexible MOQ options.
3. Proven supply chain reliability and efficiency.
4. Tailor-made, formulation-ready output solutions.
5. Full regulatory documentation and compliance.

08

VISION STATEMENT

To be recognized as a global leader in raw material segment manufacturing, delivering uncompromised **quality, safety, value**, and **eco-conscious solutions** through innovation in chemistry.

09

MISSION STATEMENT

To empower industries with safe, reliable, and high-performing raw materials through **precision manufacturing, transparent practices**, and a commitment to **regulatory excellence**.
